Introduction of Kanagawa pref.

Kanagawa prefecture has developed infrastructure even more compared with other prefectures and its economic development is also remarkable. The prefectural office of Kanagawa prefecture is located in Yokohama. It is regarded as the second largest city in Japan with a population next to Tokyo. There are many sightseeing spots and entertainment facilities, and Yokohama City is very comfortable to live and one of the most beautiful cities in Japan.

Introduction of Yamato City

The population of Yamato City is 230,000 people. It is in the very center of Kanagawa prefecture. Yamato City's living expenses are not so high. Yamato City, which has the most enjoyable library in Japan, will surely be an environment where every foreign student can live very easily.

Greeting from the school principle

Hello everyone. My name is Yasutaka Miyazato. I am a principal at Yamato Foreign Language School. First of all, I am very pleased that you are interested in our school. I am very much looking forward to seeing you directly at our school, studying Japanese, and learning various things related to Japanese culture and Japan. Teachers with vast experience and skills are also waiting for you at our school. Our staff will do our best to make your life in Japan meaningful and enjoyable. Let's make your dreams come true together! Please leave it to us!
